

Digital Marketing Growth Strategy

帝寶鋁業 | DBOU ALUMINUM

SEO • Google Ads • Competitive Analysis • Website Optimization

Business Background

DBOU Aluminum is a Taiwan-based manufacturer specializing in residential and commercial aluminum doors and windows, providing customized aluminum solutions.

Project Objective

Develop a digital marketing growth strategy to improve online visibility, attract qualified prospects, and strengthen lead generation through SEO, Google Ads, website optimization, and content marketing.

 Current Situation	 Challenges	 Goals
SEO optimization opportunities	Limited visibility for local search queries	Increase qualified traffic
Fragmented digital marketing efforts	No paid search strategy	Improve lead generation
Limited educational content	Limited keyword coverage	Strengthen SEO authority

Site Architecture

- Clear primary navigation structure
- Service categories are logically organized
- Mobile-responsive website layout

Content Quality

- Company news available
- Limited educational articles
- Low publishing frequency

Search Visibility

- Limited keyword optimization
- Limited search-focused pages
- Metadata optimization opportunities

Conversion Experience

- Contact information available
- Limited CTA placement
- No lead capture assets

Content Strengths

- Well-structured product pages
 - Existing news content
 - Strong product terminology
- Strong foundation for future SEO growth.*

Search Opportunities

- Local keyword targeting
 - Location-based landing pages
 - Educational SEO content
- Clear opportunities for local SEO growth.*

Technical Factors Not Evaluated

Page Speed · Core Web Vitals · XML Sitemap · robots.txt · Indexation · Structured Data

Not assessed due to limited backend access.

Keyword	English Translation	Category	Priority
台南鋁門窗	Aluminum Windows & Doors (Tainan)	Local	High
安南區鋁門窗	Aluminum Windows & Doors (Annan District)	Local	High
台南氣密窗	Airtight Windows (Tainan)	Local	High
氣密窗	Airtight Windows	Product	Medium
隔音窗	Soundproof Windows	Product	Medium
客製化鋁門窗	Custom Aluminum Windows & Doors	Long-tail	Medium

Key Insights

- Local SEO opportunity
- High-intent keywords
- Paid search potential

Focus on local commercial keywords.

Campaign	Target Keywords	English Translation	Objective
Local Search	台南鋁門窗	Aluminum Windows & Doors (Tainan)	Generate Leads
Local Search	安南區鋁門窗	Aluminum Windows & Doors (Annan District)	Generate Leads
Product Search	氣密窗	Airtight Windows	Drive Product Discovery
Product Search	隔音窗	Soundproof Windows	Drive Product Discovery
Custom Search	客製化鋁門窗	Custom Aluminum Windows & Doors	Increase Quote Requests

Campaign Objectives

- Generate qualified inquiries
- Improve local search visibility
- Capture high-intent demand

Suggested Budget Allocation

- 60% Local Search
- 30% Product Search
- 10% Testing / Expansion

Lead with local search.

Strengthen Local SEO

- Create location-specific landing pages
 - Optimize local keywords
 - Improve Google Business Profile
- Increase visibility for local searches.*

Improve Website Content

- Publish educational articles
 - Expand product information
 - Add stronger CTAs
- Build trust and improve engagement.*

Implement Google Ads

- Start with local search campaigns
 - Prioritize commercial keywords
 - Monitor conversions weekly
- Scale based on performance.*

Implementation Roadmap

Assessment based on publicly available website content.

Marketing Impact

- Local SEO → Higher visibility
- Website → Better engagement
- Google Ads → More inquiries
- Landing Pages → Better conversion

Business Value

- Increase qualified traffic
- Improve lead generation
- Strengthen local presence
- Build scalable growth

Project Summary

This strategy provides a practical roadmap to improve digital visibility, strengthen lead generation, and support scalable growth.

Designed for sustainable long-term growth.
